

For the last three weeks or so I have been receiving phone calls from Midwest Telemarketing Inc, Tel # 701-756-6417. This shows on my caller ID. They have never said anything. They call at least three times a day, at approximately 11:30 a.m., at approximately 4:00 p.m. and sometimes as late as 8:30 p.m. I WANT THIS TO STOP but I can't call them, of course. They have never said anything at all, even though I have given them plenty of time to talk. I will file a formal complaint, if I have to, in order to get this stopped. This has become very annoying.

Thanks, Emma R. Mobley
